Purpose

The purpose of the budget guide is to assist the public in understanding the way that the City budget is prepared, adopted, implemented and amended. It provides information about the budgeting process and how the budget is implemented. The budget guide also defines financial terms and provides an overview of the city's financial goals.

What is a Budget?

Budget development is one of the most important processes a City engages in on a continuing basis. The budget serves multiple functions for the City. First of all, the budget is a financial plan that ties financial resources to specific activities. Second, the budget is a policy document that establishes the activities and projects that the City will pursue and provides an organizational framework for implementing those activities. Finally, the budget serves as a vehicle for communicating with the public about the planned activities of the City.

Budget Preparation

Preparation of the City's budget occurs primarily during the summer months just prior to establishing the City's mill levy rate for the following year, although implementation is a year-round process. The City of Chanute uses a single-year approach, although some cities use a multi-year approach to budgeting. The budget presents actual figures for prior years, revised figures for the current year and budgeted figures for the coming year.

The City Manager and the Finance Director meet with each Department Head who has prepared budget requests based on projected needs within their scope of responsibility. Each line item is discussed and adjusted to fit the next year's projections. The City Manager's approach in these meetings is to make certain there is adequate justification for increasing budget requests based on a detailed scope of work or specific need to purchase items. Similarly, there needs to be justification for maintaining an existing line item budget level if historically the funds have not been used. Finally, the City Manager reviews areas that may need more funding to fit the community's priorities based upon his or her perceptions, management experience, and City Council priorities.

Budget Law (K.S.A. 79-2925 – 79-2937)

The city is required to establish a budget of planned expenditures for every fund, except capital project funds for which debt has been issued. The budget law also prohibits the city from expending an amount that exceeds the amount budgeted for the fund. The city may, without violation of the budget law, transfer budget authority within the General Fund from department to department or between items of expenditure. The budget law also prescribes a minimum procedure the city must follow in order to adopt the budget. The law requires the city to hold a public hearing prior to budget adoption. This hearing must be publicized by public notice in the official city newspaper at least ten days prior to the date of the hearing.

Cash Basis Law (K.S.A. 10-1101)

The Kansas Cash Basis Law prohibits cities from creating a financial obligation unless there is money on hand in the proper fund with which to pay the indebtedness.

Limit on Indebtedness (K.S.A. 10-309)

Kansas law limits the long-term debt (Bonds and Temporary Notes) outstanding to a maximum of 30% of assessed valuation. Assessed value for the purposes of establishing the debt limit includes the value assigned to motor vehicles. Motor vehicles are not included in the assessed value for establishing the mill levy. Debt issued for the purposes of storm or sanitary sewers, certain street intersections, or for city utilities are not subject to the limit. In addition, debt issued under some statutes may be specifically exempt by the authorizing legislation.

Open Meetings (K.S.A. 75-4317 et seq.)

Generally, any time a quorum of the City Council meets for the purpose of conducting or discussing business, the meeting must be open to the public. State law provides specific instances in which the City Council may go into executive session (non-public meeting), but no binding decisions may be made in such closed sessions. The City of Chanute prepares an agenda for all meetings and tries to provide at least 24 hour notice of any meeting to all news media. The public is encouraged to attend and participate in all City Council meetings pursuant to the rules of order. Special meetings, work sessions, or changes in the place or time of regular meetings will be announced in advance through normal news media channels, in addition to the City's website and public access channel (Channel 7).

Kansas Open Records Act (K.S.A. 45-215 et seq.)

The Kansas Open Records Act provides that, unless specifically exempt by law or court ruling, all public records are open to public inspection. The basic policy is that the public has a right to public records unless otherwise limited by state or federal law. A fee may be charged if substantial amounts of staff time are required to provide access. Copies of records can be provided for a nominal fee. If a record is requested and access is denied, a specific reason for denial must be given.

Cash Basis of Accounting

The City of Chanute makes use of a uniform system of accounting maintained to reflect compliance with the applicable laws of the State of Kansas. Annual financial statements are presented after applying encumbrances, where applicable, to record accrued contracts, inventories, property, and equipment resulting in financial statements presented on a **cash basis of accounting**. The basis of budgeting is the same as the basis of accounting.

As a governmental system, the City is charged with the duties of reporting and fully disclosing its financial position and financial results of operation in conformity with the laws of the State of Kansas. The City must demonstrate compliance with finance-related legal and contractual provisions within the system's financial activities.

The financial transactions of the City are recorded in individual funds. A **fund** is defined as a separate fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions or limitations.

The following types of funds comprise the financial activities of the City:

- **General Fund** – the chief operating fund used to account for all resources except those required to be accounted for in another fund.
- **Special Purpose Funds** – used to account for the proceeds of specific tax levies and other specific revenue sources (other than Capital Project and tax levies for long-term debt) that are intended for specific purposes.
- **Bond and Interest Funds** – used to account for the accumulation of resources, including tax levies, transfers from other funds and payment of general long-term debt.
- **Capital Project Funds** – used to account for the debt proceeds and other financial resources to be used for acquisition or construction of major capital facilities and equipment.
- **Enterprise (Business) Funds** – account for operations that are financed and operated in a manner similar to private business enterprises where the stated intent is that the expense of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges or where periodic determination of revenues earned, expenses incurred, and/or net income is deemed appropriate for capital maintenance, public policy, management control, accountability, or other purposes.
- **Agency Funds** – funds used to report assets held by the City in a purely custodial capacity.

What is a “Mill Levy?”

A mill is \$1 of tax for every \$1,000 of assessed value on real and personal property. The mill levy is recalculated every year and is based on the amount of property tax dollars needed to finance the City’s budget.

After the budget is adopted by the governing body, the City is required by the state to file the proper budget forms with the county clerk. These forms demonstrate compliance with tax limitation legislation.

The County Clerk calculates the annual mill levy by dividing the total revenue to be obtained from ad valorem taxes for each fund by the total assessed value located in a specific jurisdiction. Fund levies are aggregated to determine the total mill levy for a jurisdiction.

The County Treasurer then mails tax statements to property owners. One-half of the total tax bill is due in December, and the balance is due in May of the next year.

Taxes are levied in the previous year to finance the current budgets. For example, 2014 taxes are used to finance the 2015 budget.

What is assessed value?

The assessed (or taxable) value of property is a percentage of the property’s appraised fair market value. The County Appraiser’s office determines the fair market value of property and sets the appraised value. The appraised value is then multiplied by an assessment rate that is based on the function of the property. The following calculation is used to establish the assessed valuation.

Real Estate

Residential:	Multi-family, urban or rural	11.5%
Agricultural:	Value based on use or production	30.0%

Vacant lots:		12.0%
Commercial:	For industrial purposes, and buildings and improvements to agricultural land	25.0%

Personal Property

Residential:	Mobile Homes	11.5%	Mineral Leases:
Oil production over 5 barrels/day			
	and natural gas production under 100 mcf/day	25.0%	
Public Utility:	Inventory, except railroad	33.0%	
Commercial and Industrial machinery, less depreciation		25.0%	
Farm machinery, merchant/manufacturer inventories, and livestock		Exempt

- **Ad Valorem** — A tax levied on the assessed value of both real and personal property in proportion to the value of the property (also known as “property tax”).
- **Appropriation** — An authorization granted by the City Council to make expenditures and to incur obligations for purposes specified in the Appropriation Ordinance.
- **Appraised Value** — Value of real estate or other property as determined by the marketplace.
- **Assessed Value** — Represents the official value placed on real estate, personal property, and utilities as a basis for levying taxes. By Kansas statute, the assessed value for residential property is 11.5% of the appraised value and the assessed value for commercial/ industrial property is 25% of appraised value.
- **Balanced Budget** — Annual financial plan in which expenditures do not exceed revenues. Kansas statute requires that each fund supported by a property tax levy be balanced.
- **Bonds** — Debt instruments that require repayment of a specified principal amount on a certain date (maturity date), together with interest at a stated rate, or according to a formula for determining the interest rate.
- **Capital Outlay** — Expenditure category used for new equipment purchases, facility improvements, and other non-routine capital items.
- **Capital Expenditure** — Funds spent for the acquisition of a long-term asset.
- **Commodities** — Expenditure category used for routine, consumable goods such as office supplies, small tools, fuel, etc. Commodities also include repair and replacement parts and non- capital materials.
- **Contractual Services** — Expenditure category used for services provided by firms, individuals, or other city departments.
- **Debt Service** — Expenditure category used to account for accumulation of resources for, and the payment of, interest and principal on general long-term debt. Transfers to other funds are also generally recorded under the debt service category.
- **Enterprise (Business) Funds** — Account for operations that are financed and operated in a manner similar to private business enterprises where the stated intent is that the expense of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges or where periodic determination of revenues earned, expenses incurred, and/or net income is deemed appropriate for capital maintenance, public policy, management control, accountability, or other purposes.
- **Encumbrance** — A reservation of funds to cover purchase orders, contracts, or other funding commitments which are yet to be fulfilled.
- **Expenditures** — Refers to current cash operating expenses and encumbrances.
- **Fiduciary Funds** — Include Expendable Trust, Nonexpendable trust, and Agency Funds and account for assets held by a governmental unit in a trustee capacity or as an agent for individuals, private organizations, other governmental units, and/or other funds.
- **Full-Time Equivalent** — A part-time position converted to a decimal equivalent of a full-time position based on 2,080 work hours/year.

- **Fund** — A separate fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions or limitations.
- **Fund Balance** — The difference between a fund's revenues and expenditures.
- **General Fund** — Accounts for all unrestricted resources except those required to be accounted for in another fund.
- **Grant** — A contribution usually from one government unit or funding source to another. The contribution is usually made to aid in the support of a specified function (i.e. library materials, drug enforcement) or project, but it is sometimes used for general purposes.
- **In-Lieu of Property Taxes** — An amount which may be charged to enterprise operations equal to the real and personal property taxes that would be due to the city if the enterprise operation was a for-profit private company. Used as justification for making a transfer of funds to the General Fund.
- **Internal Service Funds** — Account for the financing of goods or services provided by one department or agency to other departments or agencies of the governmental unit, or to other governmental units on a cost reimbursement basis.
- **Mill** — A monetary unit used to express the property tax rate. One mill is equivalent to one- thousandth of a dollar, or \$1 of tax per \$1,000 of assessed valuation.
- **Mill levy** — Represents a taxing entity's total property tax rate.
- **Personnel Services** - Expenditure category used to account for salaries, wages, and other benefits paid to City employees.
- **Revenue Forward** — Revenue carried over from previous years (also known as "cash carryover").
- **Resources** — Total funds available for appropriation including estimated revenues, fund transfers, and beginning balances from revenue forward.
- **Special Purpose Funds** — Account for the proceeds of specific revenue (other than special assessments or major capital projects) that are restricted by law or administrative action to be expensed for specified purposes.
- **Transfers** — Authorized exchanges of cash or other resources between funds.

CERTIFICATE

To the Clerk of Neosho County, State of Kansas

We, the undersigned, officers of

City of Chanute

- certify that: (1) the hearing mentioned in the attached publication was held;
(2) after the Budget Hearing this budget was duly approved and adopted as the maximum expenditures for the various funds for the year 2016; and
(3) the Amounts(s) of 2015 Ad Valorem Tax are within statutory limitations.

COMMENTARY

Activities of the General Fund, which is the primary reporting means of the City of Chanute's government operations, includes various departments of general government, public safety, public works, and health and recreation. The Kansas property tax lid law expired June 30, 1999. However, if the total of property tax (excluding debt service) required to fund the new budget had exceeded that of the previous year's budget, a resolution or ordinance stating that an increase had been approved would have had to been published. Ref. Ordinance No. S-0277.

COMMENTARY

The Special Improvement Fund was established per authority of K.S.A. 12-6a13 to pay the preliminary cost of planning internal improvement projects. Costs which may be included are those for studies and engineering reports preparatory to consideration of the feasibility of an improvement and to pay the initial cost of such improvements when ordered by the Governing Body and until temporary notes or improvement bonds are issued and sold to reimburse the fund.

COMMENTARY

The Chanute Public Library, located at 111 N. Lincoln, is governed by a seven member board of directors appointed by the Mayor with the approval of the other City Commissioners. Up to 6 mills can be levied as authorized by Charter Ordinance No. 11, based on the budget request submitted by the board of directors who are responsible for the overall policy and management of the library.

COMMENTARY

The Special Liability Expense Fund was established in 1986 by Ordinance No. 2288, pursuant to K.S.A. 75-6110. It is used to pay the cost of investigation, defense and claims -- to the extent they are uninsured and for which the City is obligated under the Kansas Tort Claims Act. This fund is not subject to the Kansas Budget law per K.S.A. 75-6110 but is shown for informational purposes and calculation of the tax levy.

COMMENTARY

The Special Parks and Recreation Account is funded through the state's 10% tax on the sale of liquor in private clubs. According to K.S.A. 79-41a01, the tax paid to private clubs in a city is returned to that city. The money is then distributed one-third to Special Parks and Recreation Fund, one-third to the Special Alcohol Program Fund, and one-third to the General Fund.

COMMENTARY

The Special Alcohol Programs Fund is also financed by one-third of the City's share of the 10% tax on the sale of liquor in private clubs. K.S.A. 79-41a04 requires that the moneys from this fund be spent for services or programs "whose principal purpose is alcoholism and drug abuse prevention and education, alcohol and drug detoxification, intervention in alcohol and drug abuse or treatment of persons who are alcoholics or drug abusers or are in danger of becoming alcoholics or drug abusers."

COMMENTARY

A 3% transient guest tax for tourism and conventions became effective January 1, 1991, pursuant to Charter Ordinance No. 12 and Resolution 90-16. (Ref. K.S.A. 12-1696 et. seq.) Moneys can be expended for activities connected to the promotion of conventions and tourism. The state keeps 2% of all the taxes collected to defray administration and enforcement expenses related to the collection of the transient guest tax. (K.S.A. 12-1694).

COMMENTARY

The Emergency Telephone Fund was originally established by Ordinance No. 2088 in 1981 and renewed in 1984 by Ordinance No. 2246, 1987 by Ordinance No. 2305, 1990 by Ordinance No. 2349, 1993 by Ordinance No. 2379, and 1996 by Ordinance No. 2409 for the purpose of providing the public with emergency telephone service for reporting police, fire, medical or emergency situations. Calls are dispatched by Neosho County's E-911 Center to the appropriate agency-- Chanute Police and Fire Departments, the Ambulance Department at Neosho Memorial Regional Medical Center, as well as the Sheriff's Department.

COMMENTARY

The Special Highway Improvement Fund was established in December 1982 by Resolution No. 82-43 and is a reserve for street improvement projects (Ref. K.S.A. 68-590). The City Commission can, by resolution, authorize the transfer of up to 25% of the Street budget to this fund.

COMMENTARY

The Electric Utility includes the operation and maintenance of 2 power plants and over 100 miles of power lines inside Chanute and within three miles of the city limits. It serves approximately 4,743 residential, 866 commercial and 89 industrial accounts. Generation equipment includes the following:
Plant No. 3 - (3) 6,955 kW dual fuel diesels (Colt-Pielstick) and (2) 5,525 diesels (Colt-Pielstick).
A 49mW Siemens Westinghouse combustion turbine engine and generator was installed at Plant No. 2 in January 2002.

COMMENTARY

The Electric Utility includes the operation and maintenance of 2 power plants and over 100 miles of power lines inside Chanute and within three miles of the city limits. It serves approximately 4,743 residential, 866 commercial and 89 industrial accounts. Generation equipment includes the following:
Plant No. 3 - (3) 6,955 kW dual fuel diesels (Colt-Pielstick) and (2) 5,525 diesels (Colt-Pielstick).
A 49mW Siemens Westinghouse combustion turbine engine and generator was installed at Plant No. 2 in January 2002.

COMMENTARY

The Water Utility has 68 miles of pipeline within the City and serves approximately 3,976 residential, 552 commercial and 48 industrial accounts. Water is obtained from the Neosho River and treated at the system's standard rapid sand filter plant located at 9th and Katy. It is then pumped into 2 above ground storage units - a 127.3' high 250,000 gallon tank built in 1922 at Highland Park, and a 131' high 500,000 gallon tank built in 1959 at the corner of Seventh Street and Wilson Avenue. The plant is operated by state certified operators 24 hours a day, seven days a week. A 1,000,000 gallon elevated tank was completed in 2002 at the Safari Industrial Park.

COMMENTARY

The Refuse Utility is responsible for collection of solid waste with the City and operates the sanitary landfill located at 2201 E. 14th. There are approximately 3,752 residential, 480 commercial and 46 industrial accounts. Residential customers receive service once a week while commercial and industrial customers receive service as requested. Two 3-man crews pick up over 175 cubic yards of trash on an average day.
